Serial No.

Letter No. 42 dated 17.3.1938 from the Director of Sandal oil Factory, regarding the daily allowance drawn by him in respect of his stay at Bangalore for five days from 19.7.1937.

The post of Director of Sandal Oil Factory was revived in G.O. No. 38-39 | CB 17-37-1 dated 7.7.1937 and Mr. S.G. Sastry was appointed to it. Mysore was fixed as his headquarters. He handed over charge of the office of the Director of Industries and Commerce to Mr. M.S. Ramachandra Rao on 19.7.1937.

2) Mr. Sastry appears to have stayed at Bangalore for five days from 19th to 23rd July 1937 for inspecting certain Industrial Concerns. His claim for daily allowance for these five days was admitted and he drew the amount during Aug 1937. The Comptroller has now objected to Mr Sastry drawing d.a. for the period in question on the ground that after handing over charge of the office of the Director of I & C, he continued to do the duties of the Dir of S.O.F. at Bangalore and that the question of assuming a fresh charge as Dir of S.O.F or allowing d.a. for his stay in Bangalore from 19th to 23rd July does not arise

3) Mr. Sastry, however, contends that immediately after handing over charge as above

his head quarters became changed automatically from Bangalore to Mysore and that therefore his claim is in order. He requests that he may be treated as having been absent from headquarters on tour.

4) Daily allowance is intended to cover the ordinary daily charges of an officer on tour and it is drawn only during absence from head quarters on duty.

5) The Comptroller's view seems strictly correct. Financial Department may, however, be consulted.

7) The Comptroller's view is correct. Mr. Sastry's headquarters cannot be treated as Mysore, till he actually goes to that place. His argument that, if he had gone to Mysore and come back to Bangalore, the expenditure to Government would have been more, is not relevant as Government has to pay the T.A. admissible under the rules whatever it may amount to and cannot pay anything not admissible under the rules whether such amount is small or large. It may also be stated

in this case that the halt at Bangalore may have been for the officer's private convenience also, this and he would have been put to personal inconvenience if he had gone to Mysore and then come back.

8) This case is however peculiar. The officer is not posted to any new charge. He was relieved of a portion of the work he was actually in charge of and he may be regarded as having been in charge of the other work even before proceeding to Mysore. In this view, the daily allowance for the halts at Bangalore may be sanctioned as a special case, if Government deem fit.

SIR,

Subject:- Daily allowance of Rs 25/- drawn by me in travelling allowance bill for July 1937 for 5 days from 19th to 23rd July 1937.

---

1) In inviting your kind reference to Government Order No.38-39/ C.B. 17-37-1 dated 7th July 1937, appointing me as Director of Sandalwood Oil Factory with head-quarters at Mysore, I have the honour to state that after the relief by the present Difector of Industries and Commerce I stayed at Bangalore for 5 days from 19th to 23rd July 1937 for inspecting Government Soap Factory and Industrial and Testing Laboratory and also to reorganise the work of sections under my care and then proceeded to Mysore. I preferred a claim for daily allowance only for 5 days halt at Bangalore during July 1937 and the bill was cashed during August 1937.

2) The Comptroller to the Government of Mysore, Bangalore, has intimated in his letter No.TAD 803 dated 4th March 1938(copy enclosed) that the daily allowance is not admissible and he has requested me to refund the amount drawn by me.

3) In this connection, I may bring to the notice of Government that immediately after handing over charge of Director of Industries and Commerce, my head-quarters became changed automatically from Bangalore to Mysore, as a result of bifurcation according to the Government

Government Order referred to above. In case, I had gone to Mysore immediately after the relief and then returned to Bangalore, it would have cost Government not only the amount of daily allowance of Rs 25/- but also additional amount of railway fare to and fro. In order to avoid railway fare which would have otherwise become payable by Government, the inspection work was done by me before proceeding to Mysore. As my head-quarters became Mysore after my handing over charge of Director of Industries and Commerce I am entitled to the daily allowance and my claim is in order. I adopted this procedure in the interest of service for effecting some savings. As such, I may be treated as having been absent from head-quarters (Mysore) on tour.

4) I request, therefore, that you will be so good as to obtain early sanction of Government for the allowance of 5 days to me for the halt at Bangalore in July 1937 and communicate the same to me at an early date.

I have the honour to be,

Your most obedient servant,

Director.

Letter No.IAD 803 dated 4th March 1938 from the Comptroller to the Government of Mysore, Bangalore, to the Director,Sandalwood Oil Factory,Bangalore.

I have the honour to state that during the audit of the accounts of the Sandalwood Oil Factory, Mysore, for the period from July 1937 to September 1937,it was notiiced in your travelling allowance bill for July 1937 cashed during August 1937 that you have drawn daily allowance at Rs 5/- per day for 5 days in respect of your stay at Bangalore from the 19th to 23rd July 1937 on account of inspection of Government Soap Factory and the Industrial and Testing Laboratory and office work as the Director,Sandalwood Oil Factory,after you handed over charge of the Director of Industries and Commerce on the 19th July 1937 under Government Order No.38-39/ C.B.17-37-1 dated the 7th July 1937. This Government Order sanctioned the bifurcation of the two offices of the Director of Industries and Commerce and of the Director of Sandalwood Oil Factory which were together held by you and fixed your head-quarters as the Director of Sandalwood Oil Factory at Mysore. There was therefore no question of taking over charge of any new office in your case, and after you handed over charge of the office of the Director of Industries and Commerce on the 19th July 1937, you continued to do the duties of the Director of Sandalwood Oil Factory at Bangalore. Under these circumstances the question of assuming a fresh charge as Director of Sandal Oil Factory or allowing D.A. for your stay in Bangalore from 19th to 23rd does not arise.

I therefore request you to kindly arrange for the refund of D.A. Rs 25/- drawn by you for these 5 days.
